# NEW COMPANY MOVED TO PALO DURO PARK

## CONTRACTOR IS MOVING PLANT TO POSTOFFICE

**Government Approves the Contract and Bond as Submitted on Construction of Building**

**START AT ONCE**

**New Building at Borger Is Completed, and Machinery Being Moved to Canyon**

Construction will start on the new postoffice building by the first of December, according to word from the contractor.

A member of the construction firm of Lundberg & Richter was here Friday, bringing a load of tile from Borger where the firm is completing a new postoffice. Postmaster Guy Harp was informed that machinery and materials being used at Borger would be moved to Canyon just as soon as work was completed on the Borger building.

Mr. Harp received the copy of a telegram yesterday from the treasury department at Washington to the construction firm in which it was stated the government had approved the bond for construction of the building, and asked for the definite date upon which construction would start.

All surplus materials which are on the Borger Job will be shipped here at once. The two buildings are practically alike, and approximately the same size.

The city is preparing to widen the street around the postoffice site as soon as construction is started on the building. Brick will probably be used in order to match the pavement which is on the street.

## Automobiles Forbidden to Pass School Busses in Loading

Several accidents have been averted by inches the last few weeks when automobiles have passed busses unloading and loading from Fairview and Sunny Hill, according to reports from children and bus drivers.

In every case possible the drivers have courteously cautioned the drivers of the automobiles and pointed out that it is against the law to pass a school bus in Texas when the bus is either loading or unloading.

In some cases the autoist has been warned twice. According to reports issued by the school authorities it will be necessary to let the law take its course if this practice continues.

Reports indicate that some cars have passed busses with the children getting off, almost striking them. In one case the car was making around fifty miles, it was estimated. The public believes this is a dangerous practice, and the school board of the schools operating these expect to stop it.

## 1937 Auto Plates Are Delivered at Court House Mon.

Tax Collector Bob Barnett received the consignment of 1937 automobile plates Monday. The plates were delivered by trusties from the penitentiary system where the plates are being manufactured.

The new plates have letters of cream on a black background.

New plates may be purchased after February 1st, but cannot be placed on cars before March 1st. All cars must be equipped with the new plates by April 2, 1937.

**HAS OPERATION**

Mrs. A. M. Meyer, hostess of Stafford Hall, and wife of Dr. A. M. Meyer, underwent an appendectomy at St. Anthony's hospital in Amarillo Sunday night.

Latest reports indicate that she is recovering satisfactorily and will return to her duties in a short time.

Rev. and Mrs. James N. Morgan of Fort Worth visited last week in the parental J. C. Baker home.

## *Annual Roll Call of Red Cross Will End Thanksgiving*

The Red Cross Roll call will be held open another week for the benefit of those who wish to subscribe and have not had the opportunity to do so.

The quota for Randall County has not yet been completed, and

it is hoped that in this final call sufficient donations will come in to put this county over.

Badges and membership cards are being left at the Jarrett Drug, at the Post Office, and at the First National Bank for the benefit of those wishing to contribute to this worthy cause.

Mrs. Ray Campbell, chairman of the drive, will prepare a list of all subscribers for publication next week.

## TB Test Among Chickens May Start in County

**Those Interested are Requested to See County Agent W. H. Upchurch at Once**

There will be a project started soon in Randall County to determine the feasibility of eliminating tuberculosis in chickens.

A sample test will be run on a selected number of farm flocks by a state veterinarian in co-operation with the County Agent without cost to the flock owners. No obligation will be incurred except to destroy all reactor birds.

The purpose of this test is to determine whether there is sufficient T. B. in chickens in Randall County to make county wide testing worth while. Any farmer interested in having his flock tested should call at the County Agent's office not later than Saturday of this week. The first day's testing will be made on Monday, the 23rd.

Whether the work is continued will depend on the interest shown.

## National Advertiser Buys Space In News Starting Campaign

The Quaker Oats Company is coming back to the small city newspapers for advertising their excellent product. To insure the success of this initial campaign, the dealers and newspapers are to make a special effort to co-operate.

Grocers appreciate the value of an established brand name—they know that their customers appreciate the privilege of calling for a nationally advertised brand of goods, knowing that it means they will receive the quality they expect.

When a large concern decides to use local newspapers for advertising service, it means increased sales for the local merchants.

The Canyon News will distribute the "Trick Book" to each person who brings the Quaker cut from a large package of Oats, or two Quakers from the smaller packages. The Trick Book contains simple tricks which any boy or girl can perform for the entertainment of themselves and others. They will all want one.

The dealers will co-operate in the campaign by using special displays in their stores and by adding to their advertisements a section, calling attention to Quaker Oats sold by them.

Mrs. R. P. Jarrett returned yesterday from Kansas City where she visited with her son, Dr. Robert Jarrett, who is intern in one of the large hospitals. He is greatly enjoying his work, and will have a leave of three days at Christmas to visit his family in Canyon.

Mr. and Mrs. C. W. Terry of Earth visited last week in the home of their daughter, Mr. and Mrs. Golden Green.

# *BUFFS TO END SEASON*

## Eagles Closed Season As Coin Tossed Tuesday

**Tulia Wins Chance To Meet Dalhart Team for Honors in the Bi-Section**

The Canyon Eagles lost the chance to play in the district finals Tuesday afternoon when a coin was flipped and Tulia won to meet Dalhart Friday afternoon.

The victory of Canyon over Hereford last week, and the loss of Tulia to Happy threw the section into a tie between Canyon and Tulia. It was intended that the two teams would meet, but Tuesday it was discovered that both Canyon and Tulia had played nine games, and that ten games is the limit under the Interschoolastic League rules. No matter which team would have won, it could not play Dalhart. The coin was flipped to determine the team to play Dalhart, and Tulia won. According to arrangements, Canyon will receive 50% of Tulia's share of the gate Friday afternoon.

The Eagles turned in their suits Tuesday afternoon, ending the season for football.

Followers of the Eagles were greatly disappointed in not seeing the team play again. During the past month the team has improved very rapidly, after getting off to a poor start. The Eagles have whipped Happy, Hereford and Dalhart by decisive scores. Tulia defeated Canyon, but then lost to Hereford and Happy. The winner of the Tulia-Dalhart game will face the strong Panhandle team, which are doped to be district champions this year.

## Mrs. J. C. Hunt of Plainview Dies; Was Formerly of Canyon

Mrs. J. C. Hunt, 57, died Sunday at Plainview, where she has lived since moving from Canyon in 1922. She has been matron of the girls' dormitory at Wayland College while in Plainview.

Mrs. Hunt was the widow of State Representative J. C. Hunt. He was a resident of Canyon for several years, being elected to the legislature in 1910 from this district. He was stricken with meningitis during the session of the legislature in 1912 and died at Austin. Four members of the legislature died from this epidemic.

Mrs. Hunt is survived by a son, Weldon, of Grass Valley, Cal., and a step-daughter, Mrs. Wilma O'Neil of Austin.

## Toby Waggoner Has Operation At Roswell After Game

Word received from St. Mary's hospital in Roswell yesterday morning at 11 o'clock revealed that Toby Waggoner, Buffalo left end, had weathered the crisis and was on the road to recovery. Physicians were encouraging, but stated that his condition was still critical.

Waggoner was stricken with an abdominal pain an hour following the Buff-NMMI game. He was examined and was rushed immediately to the St. Mary's hospital. Doctor Guy performed the emergency operation which proved that Waggoner had a punctured stomach as well as an inflamed appendix as was at first reported. Doctors cite the haste in operating as the reason for the encouraging reports.

Coaches Al Baggett and Bob Cox remained over until Sunday evening. Coach Baggett indicated that Waggoner will be able to leave the Roswell hospital inside of three weeks if he continues to improve.

Baggett came home Monday, but returned yesterday bringing Cox with him for final preparation for the St. Benedict game.

S. E. Roberts left Sunday for his home in Kansas after visiting at the homes of his sisters, Mrs. John Knight and Mrs. W. F. Heller.

**Left This Morning For Atchison to Play Saint Benedict's Saturday in Final Game**

**HOPE FOR WIN**

**Loss of Ends Has Crippled Team; Opponents Called Best Team In Kansas**

"This is not going to be another tie game: we are either going to win or lose a ball game Saturday," stated Coach Al Baggett, yesterday. Coach Baggett was referring to the annual battle of the Buffaloes with St. Benedict's at Atchison, Kansas. This game ends the season for the Buffs.

The Buffs have played nine games this season, winning 7 and having two ties chalked up against the otherwise perfect record.

St. Benedict's have gone through a perfect season, winning all of the seven games. Sports writers from the middle west pronounce the team the strongest which the Atchison college has ever produced, and probably the best team in Kansas.

## Funeral Service Is Held Sunday S. M. Hedgecoke

Funeral services for Samuel Monter Hedgecoke, 67, were held Sunday afternoon at the Baptist church, conducted by Rev. R. V. Bradford of Fort Worth. Interment followed in Dreamland directed by the Griggs-Thompson Funeral Home.

Mr. Hedgecoke died Friday at Portland, Texas, where he had lived in recent years. He formerly lived in Hutchinson county, and was a pioneer settler of the Plains. His brother formerly lived in Canyon and was buried in Dreamland Cemetery four years ago.

Besides his widow, Emma Frances Hedgecoke, he is survived by two daughters, Mrs. Sam Churchill of Stinnett, and Mrs. W. J. Jones of Amarillo; two sons, Roy of Borger, and Rumans of Ruidoso, N. M.; and two sisters, Mrs. E. R. Haynes of Miami, and Mrs. J. B. Cole of El Paso.

## Rotary Privileges —Obligations Are Discussed Tuesday

The Club Service Committee, W. A. Warren, chairman, was in charge of the Rotary Club program Tuesday. Mr. Warren discussed the privileges of the club, while Irby Carruth discussed the obligations of the members.

Rotary was described by Mr. Warren as the greatest civic organization in the world in that it developed in its membership a spirit of service to the community. Members are selected from the various classes of the community, but meet on a common level, without class distinction, and with a common purpose of community development. The growth of the club would not have been so great during the 30 years of its history had it not been for this unselfish service.

According to Mr. Carruth, "service" is the keystone in the Rotary structure. "Service above self; he profits most who serves best," is the motto of the club, and this spirit has been responsible for the wonderful growth of the club. Most people value the man by the number of dollars he owns; but in Rotary the value is placed upon the man for the good that he has accomplished. Quoting from various leaders of the business world, Mr. Carruth pointed to the fact that Rotary is not idealistic, but the principles upon which the organization is founded has been advocated by thinking men throughout the ages by men of all nations. "Service is the common denominator for the World," stated the speaker.

Visitors present were: Bishop E. C. Seaman and W. W. Rush of Amarillo; Miss Helen Lyles and A. B. Holt of Canyon.

Mr. and Mrs. C. P. Overton drove to Borger, Sunday.

## Social Security Blanks Are Given Firms of Canyon

**Each Employer and Employee Must Give Information Under New Law**

Postal authorities are distributing blanks to all employers and employees in the United State this week, preparatory to setting up the new law for Security in Old Age.

Postmaster Guy Harp and Assistant Dewey Foster made the rounds Monday and placed the necessary blanks in all firms in Canyon.

Employers must return blanks by Saturday, giving a brief history of their business, and the number of persons employed.

All employees must return their blanks on or before Dec. 5th. Every worker in the United State will be given a number within a short time, and information will be given as the operation of the law.

Under the law 26 million workers will be indexed and as they reach the age of 65 years old age benefits will be paid.

Employees will pay 1% to create a fund for the payments of these benefits, and each employer will pay a like amount into this fund. This amount will be increased from time to time until 3% will be collected beginning in 1949.

More information will be issued from time to time regarding the operation of the new security law.

## Santa Fe Offices In Chicago Have Underpass Papers

The order to start work on the underpass east of the Santa Fe depot is now in the hands of the company's officials at Chicago, according to information received yesterday.

Santa Fe officials from the Amarillo office made an inspection of the project Friday and approved all of the details, together with the agreement with the State High way Department.

The papers were forwarded to Chicago and it is expected that approval will be received in the very near future.

Work will probably be started in a few days after the contract is finally adopted by the Santa Fe.

Coke & Braden will do the excavation for the Austin Bridge Company, holders of the contract. It is planned to use much of the excavation from this project on the streets of Canyon.

## Local Committee Attended Meeting at Dalhart Wed.

Randall county's farm committeemen, J. P. Hix, R. B. Gist, and W. O. Turpin, accompanied by County Agent W. H. Upchurch and Judge Burney Slack, spent yesterday in Dalhart where a general gathering of farmers was held to hear members of the President's Great Plains drouth committee.

This committee has been making a study of drouth conditions for several months, and called this meeting in order that delegations from all counties might be heard.

## Hill and Jarrett Go to Meeting of Board of Education

Dr. J. A. Hill and Dean R. P. Jarrett left Tuesday night for Austin where they will attend the annual meeting of the State Board of Education with the heads of Teachers Colleges.

The budgets for the colleges, and graduate work in teachers colleges will be discussed at this meeting.

Miss Natalie Flesher visited with friends in Hereford over the week end.

Mrs. Cecil Bible visited friends in McLean Sunday.

Business houses plan to observe the holiday by remaining closed on this day.

The News will be published Wednesday afternoon, and placed in the postoffice Wednesday night or early Thursday morning.

Advertisers are requested to prepare their copy one day earlier than usual for this edition.

Correspondents and reporters must have their copy in earlier than usual in order to guarantee its publication next week.

The News thanks each and every one in advance for this consideration.

## Sam Bellah Died Sunday Morning At the Age of 88

**Retired Banker, Stockman and Merchant Is Buried Monday at Former Home**

Sam Bellah, 88, died Sunday morning at 4:30 o'clock at his home on Fifth avenue. The funeral services were held Monday morning at 10:00 o'clock at the home of his daughter, Mrs. W. O. Bailey, in Decatur. The body was laid to rest by the side of his wife in the Decatur Cemetery. Dr. Ward, president of the Baptist Academy at Decatur, a long time friend of Mr. Bellah, conducted the funeral.

Mr. Bellah had been sick only a few weeks. He had celebrated his 88th birthday on Oct. 24. He has always enjoyed good health and since his retirement from active business life in 1929 has enjoyed devoting his time to keeping up with current events.

Mr. Bellah engaged in banking, stock raising and owned a large mercantile business up until 1929. His wife died at that time and he sold his interests in Decatur moving to Canyon with his daughter, Miss Florence. His oldest son, R. A. Bellah, was then mayor of Canyon and was engaged in the grocery business.

Surviving are five children: R. A. Bellah; Mrs. Cora Gardenhire of Fort Worth; Oscar Bellah of San Antonio; Miss Florence Bellah; Mrs. W. O. Bailey of Decatur. Two children preceded their father in death, Walter Bellah and Mrs. W. M. Rice.

As an indication of the careful manner in which Mr. Bellah lived and looked after his personal affairs, it was revealed to friends that he had made all preparations for his funeral after the death of his wife in 1929. He selected his undertaker and the type of casket and made the request as to the character of funeral services to be held. A few days before his death he called his grandson, Alfred Bellah, again going over the details that he had previously outlined.

Attending the funeral from Canyon were: R. A. Bellah, Mr. and Mrs. Alfred Bellah, Miss Florence Bellah, and Miss Hazel Wineinger.

**MARRIAGE LICENSES**

Allen Corbell and Miss Irene Poston, Nov. 10.

Earl W. Swanner and Miss Pearl Malone, Nov. 12.

Ralph Headlee and Miss Leona Lockhart, Nov. 14.

**BROTHER DIES**

Mrs. T. L. Calloway left Tuesday evening for Vernon upon receiving word of the death of her brother, Dr. M. J. Moore, there. Several people in Canyon have known Dr. Moore for some time.

Lee Burgess of Perryton was here Monday attending the Keiser sale. He worked for C. O. Keiser for 29 years and did much of the buying when Mr. Keiser was assembling this famous herd.

Mrs. Merrie Mellro arrived by plane Tuesday from Kentucky to visit in the home of her daughter, Mrs. J. L. Duflot.

Mrs. Richard Cocke of Wellington is here visiting her sister, Mrs. Lola Gene Dobbs.

Mrs. F. E. Weldon and family of Liberal, Kansas, are visiting in the E. I. Boyce home this week.

## JUNIORS ARE TRANSFERRED FROM BONHAM

**Entrance and Stone Cabins on Rim Will Be Rushed By New Company Workers**

**BARRACKS REPAIRED**

**Taylor Is Planning to Make Park More Attractive for Visitors to Palo Duro**

The company of CCC juniors, No. 894, arrived in Canyon Monday at 11 o'clock, and are now located at the Palo Duro State Park. The company was transferred here from Bonham where it has been doing efficient work during the past months.

Captain Carl Edmonds of Fort Worth is commander of the company. Lieut. Noble J. White and Lieut. Oscar Scofield are the other two officers.

The barracks at the Palo Duro have been completely remodeled during the past month since the negro company was disbanded and was shipped to other CCC organizations. The army has spent about $6,000 in this repair work. The barracks are said to be the most complete of any CCC camp in the state.

The company is composed of youths, 18 to 25 years of age. It is the third type of CCC company located at the Palo Duro. Work was started by white veterans, who were succeeded by the colored workers.

Work will be rushed during the winter, completing the entrance of the Park and the two double cabins which were recently started by the colored workers. The first job for the young company will be to raze all of the old barracks at the camp which are not in use. The lumber will be used in the various projects on the park area, states Supt. W. M. Anderson.

**Plans Development**

W. T. Taylor, of the Palo Duro Corporation, has returned from an extensive trip to visit the various national and state parks of the

## Keiser Herefords Bought Monday by Local Breeders

A good portion of the Keiser Hereford herd was bought Monday at public auction by local breeders.

George Nance bought 20 of the 58 head sold. Tierra Blanca Farms were other large buyers.

The sale was considered one of the best of the year, amounting to $10,108.80. The females averaged $267. Nine bull calves averaged $191. The herd bull was bought by Tierra Blanca Farms for $610.

The sale cleaned up the famous Keiser herd of registered Herefords which was the largest owned by any individual in the nation only a few years ago.

## Street Numbers Are Being Painted Along Curbs

All avenues and streets in Canyon where there are concrete curbs are being numbered at the intersections.

Markers were erected several years ago, but these are so badly faded that few can be read. The new numbers are black on orange background.

## PTA Program Will Be Held Monday Instead Thursday

The regular PTA meeting will be held next Monday instead of Thursday, which will be Thanksgiving, according to announcement of Mrs. Dan Sanders, president. The program starts at 7:45 o'clock.

Mrs. John B. Pope will lead the devotional. Miss Edna Graham will speak on efficiency.

The high school band will play a concert.

The new Social Security law which is just now receiving so much publicity is only the start toward a movement of the greatest significance to all of the people of this nation. Governor Landon made a mistake in attacking the movement, because the working people highly favor it. Industrialists who attempted to use this act as a threat against Roosevelt likewise made a mistake, in that the nation is now making a serious study of the law, and the effect it will have on the future. Recent years have certainly taught the people of this nation that there are very, very few people who can look toward the future with the definite assurance that they will be able to look after their own needs in old age. Is it not better that a small percent of the annual earnings be safely stored away for the assurance of old age security than that the future be left to take care of itself? The problem of administering such a huge fund is the most serious one about the movement. Also the exemption of so many workers may present a handicap. The movement is in its infancy. American people have always been able to work themselves out of difficult problems. We have no fear that whatever mistakes have crept into the foundation of the law will gradually be eliminated.

---

The Literary Digest is being berated, and serious charges are being made against its poll before the presidential election. Democratic leaders were fearful that the Digest poll, which was favorable to Landon, would have a bad effect upon the voters. Evidently this was not true, judging by the landslide for Roosevelt. If the Digest poll did no harm in the election, then why all the rumpus? Why not allow the Digest to take it on the chin, and be in position to correct its methods if another poll is taken. It is easy to see why the Digest poll was so far wrong. It relies for its lists largely upon telephone directories. During the depression, working people were forced to discontinue this service. Perhaps the Digest did not realize that the working people over the nation were solidly for Roosevelt. Again, if these polls have not been able to influence voters, why go to the expense of conducting them? The Digest is reported to have spent millions of dollars in taking various kinds of polls. Of course the accuracy of past polls was used as a great advertising scheme for the magazine. But the abuse heaped upon the publication for the gross inaccuracy of the present poll will probably do more harm than all the benefits gained in the past.

---

Dr. George Gallup, director of the American Institute of Public Opinion, has the only agency which truly predicted the national election. Dr. Gallup has been operating his public poll for about two years for a group of the largest daily newspapers of all political creeds. He has sampled public opinion on various public questions. Now that his theory has proven correct, Dr. Gallup will enlarge his field of activity and take public polls on various economic questions. The latest poll is in regard to married women being employed in industry. The result of the polls shows 82% of the people opposed to married women being employed in case their husbands are able to make a living. The argument is advanced that in too many cases this employment is keeping a married man from a private job and thus adding him to the relief rolls. Dr. Gallup will take up other economic questions regarding recovery and national problems.

---

Republicans are beginning to issue warning as to the difficulties President Roosevelt will have with the overwhelming majority of Democrats in Congress. Possibly the chief worry of the Republicans just now is the fact that there are so few of that political brand in congress. But the fact remains that few Democrats were elected to office this year who were not definitely pronounced New Dealers. Once in Washington they may not always agree with the President, but on the whole the program of the President should be carried out quite speedily. The economic stress which prevailed in 1933 was so voluminous that few in congress professed to know the answer to the solution. Now that the strain is passing, it is but natural that Democrats will be more free to express an adverse opinion to the President when the individual members of congress fail to see things as does the Chief Executive.

---

Cabinet makers are at work, telling the President whom he should select to run the government. It seems that few presidents have ever kept all of their first term cabinet members thru the second term. If Washington gossip is correct, President Roosevelt will probably make more changes than any president in recent years. The problems of the future, as the President sees them, and the personality of the men now holding office will have much to do with his selection for the future. The trying times thru which the President has passed since 1933 have certainly shown to him the strength and the weakness of the various cabinet members. The proposed changes are very likely along the conservative lines which the people are expecting of the President during the coming four years.

---

Political and economic writers who have visited Europe recently are not convinced that Mussolini is threatening war in Europe. They agree that Mussolini is the most feared man in Europe, but at the same time he is a hard trader, and uses threats to gain his point. He jumped onto Ethiopia because he knew there was no one to stop him. Just now he is trying to bluff England into an advantageous trade regarding ships and shipping. England is not easily bluffed, but would prefer to gracefully concede points than to be forced to a show-down when war is in the offing. If Europe is able to steer a course around the Spanish difficulty and Spain can establish a responsible government, conditions will rapidly improve.

---

President Roosevelt is going to South America for the opening of the Pan-American conference. Representatives from all American nations are to meet and discuss the problems which affect the American nations. That is fine. The United States will do a wonderful job if friendly relations can be restored and South American markets opened to goods from this nation. President Wilson made a trip to Europe following the war and proposed the League of Nations. Europe agreed to the arrangements, but insisted that this nation finance the deal. President Roosevelt will not be so easily taken in, experiencing from the results of our European loans.

---

The Red Cross never overlooks an opportunity to be of service to suffering humanity. During the past four years several hundred dollars worth of clothing and other articles were sent to the local Red Cross chapter to be distributed among the needy of Randall county. It is very fitting that the people of Randall county remember this service by answering the annual Roll Call. It costs just one dollar to belong to the Red Cross, and the money will be well invested. A large part of the dollar will remain in Randall county to be used by local people among the unfortunate children in the community.

---

Several weeks ago it was pointed out in Canyon that business men should not park their own cars on the public square on Saturdays and other rush days. The News notes that practically every town in the Panhandle has started the movement asking business men to use the side streets, or not bring their cars to town on busy days. The idea is well worth considering. When parking space around the square is monopolized by business men, their customers have no convenient place in which to leave their cars.

---

Indications are that a great batch of class legislation bills will be introduced in the next session of congress. Never before have so many classes banded to elect a President, and usually these classes wish to cash in on their political activities. President Roosevelt will have a difficult time balancing all of this class legislation in order that the interests of the nation as a whole may not be crippled.

Mussolini has abolished the courts of Italy. This is in keeping with the policy of all dictators. Russian courts were virtually abolished years ago, and those who sit in judgment have no training for the job at hand. Whatever court Mussolini approves will certainly do his bidding. It is very unhealthy in Italy to oppose the will of Mussolini.

## Exes Meet With Hill In Directors' Parley Sunday

Directors of the West Texas Ex-students Association met Sunday afternoon with Pres. J. A. Hill to perfect plans for this college's participation in the great ex-student banquet which is to be held at the Hotel Texas at Fort Worth on Nov. 27th.

Directors who were present were Miss Fannie Sue Brasuel, of Canyon; Mrs. Lee Johnson, J. B. Speer of Skellytown, and the president, Supt. Lee Gilmore of Wheeler.

Miss Fannie Sue Brasuel was appointed to sell tickets at Fort Worth for the Federated Ex-students Banquet, and instructed to select other exes to assist her.

Plans for the 1937 Homecoming were discussed and a committee consisting of Mrs. Ray Campbell, Mrs. T. M. Montfort, I. B. Carruth, Clarence Thompson and Miss Brasuel submitted a report suggesting that the annual Ex-student meeting which has been held at commencement be changed to Homecoming. The report was accepted, and the committee was continued. Its plans will be established from time to time, and the Ex-student feature of next Homecoming promises to be one of the most colorful and gay of the occasion.

## Buffalo Band To Leave For Texas Centennial Nov. 25

Leaving Wednesday, Nov. 25, the Buffalo Band, under the direction of C. E. Strain, will go to the Texas Centennial Exposition at Dallas.

Plans have been made for the band to give a series of concerts on the way to the Exposition and also on the return trip. All arrangements for the additional concerts have not been completed, Mr. Strain announced yesterday afternoon.

The members will make the trip in the West Texas State College bus which is on daily duty for commuting Amarillo students to W. T.

Joe Hill, Jr., son of Dr. and Mrs. J. A. Hill, will make all necessary arrangements in Dallas for the band. He is connected with the Little America Exhibit at the Centennial.

## W. T. High Defeats Grid Eleven From Amarillo 14-0 Sat.

Punching over touchdowns in the opening and closing minutes of the game, the W. T. High Calves defeated Central Junior High from Amarillo last Saturday afternoon on Buffalo Field, 14-0.

Pete Whitman, Calf halfback, scooted over into pay dirt territory from the 30 early in the initial period for Canyon's first tally, with Sorgee, Calf quarterback, plunging over from the three-yard stripe late in the closing quarter for the last touchdown of the game.

Byrd, Baker, and Barns, Central backfield trio, led the Amarillo attack, while Curry and Hurst were outstanding for Canyon.

# Four Candidates Entered In Race For Queen Title

### Campaign Managers Will Present Nominees Saturday

Names of four W. T. co-eds have been entered in the annual beauty queen contest, according to a statement yesterday from W. H. Hopkins, business manager of Le Mirage, the publication sponsoring the contest.

The candidates are: Ruby Lee McMillan, representing the Senior Class; Virginia Hohlaus, Junior Class; Helen Gilmore, Sophomore Class; and Rachel Kidd, group nominee.

Campaign managers will be selected for each of the candidates and will present them in general assembly Saturday.

Election of the queen will be Monday and voting will be done by secret ballot at tables in the corridor of the first floor of the Administration Building. All names except that of the candidate desired as queen of the college will be scratched from the ballot.

The government department will be in charge at the polls. Each student must present his student activity ticket which will serve as a poll tax receipt at the time of voting.

## Basement Annex of P.-P.H.S. Museum Nears Completion

Work on the basement of the annex to the Panhandle-Plains Historical Society Museum will be completed the latter part of this week, R. A. Terril, superintendent of campus buildings, said yesterday. The date for acceptance of the building has been tentatively set for Nov. 30.

Representatives of the State Board of Control through its Texas Centennial Commission, the local committee of the Board of Regents, and the board of directors of the Panhandle-Plains Historical Society will be here to accept the building from the contractors.

The new basement will house public exhibits, but it has not been decided yet which exhibits will be placed here. The Board of Directors of the Historical Society will meet here Nov. 30 and decide upon this.

Tentative plans are to use the roof of the basement for outdoor band concerts and possible theatrical performances during the summer session.

Work on the $40,000 outdoor swimming pool is pending approval of the bonds. Bonds have already been printed twice and possibly a third printing will be necessary before they are approved. Work should begin within 30 days if the present bonds are approved, but may be delayed two or three months if they must be reprinted, Pres. J. A. Hill said.

John L. Lewis, Labor Leader: "A judicial autocracy is being created in this country."

## Freshmen Drop Final Grid Fray To Greyhounds

In a memorable Armistice Day clash, Coach Bob Cox's West Texas State Freshmen dropped their final grid debacle of the 1936 edition to the fleet Portales Junior College Greyhounds, 6 to 0 in the New Mexican's backyard.

Fumbles and muffed passes by the frosh at critical points were prevalent in the skirmish which proved to be largely responsible for the downfall of the Yearlings.

The sensational passing and punting of Bob McKnight, frosh quarter, kept the Greyhounds at bay during most of the afternoon.

The lone counter of the Portales school came in the third canto when an alert Greyhound terminal recovered a fumble by the Fish safety on the 9 yard line. Two line smashes placed the ball on the 3, and Baker, Greyhound half, carried the ball over.

Late in the final period, a brilliant 65-yard canter by Carl Matney, fish fullback, before he was spilled on the 8-yard stripe, gave the Yearlings a chance to tally. Matney ripped off 6 more yards and the game ended with the young Buffaloes only two yards from pay dirt.

Oil-Plated Engine

OFFICIAL COUNT of last year's emergencies handled by the American Automobile Association shows "3,200,000 motorists caught with depleted batteries . . . and 2,000,000 had starter difficulties." Don't let it be you this Winter. Have your electrical system checked, of course. Buy good gasoline. And give your engine the big extra surety of modern *Oil-Plating*.

*Oil-Plating* with Conoco Germ Processed oil—patented—leaves a definite *Plating* of oil on every engine part continuously . . . Continuously!

Then *Oil-Plating* is always there to head off wear, not only while you drive, but between times, too. Through hours of cold at the curb or at night—when other oils drain down—your engine remains completely *Oil-Plated*. For the patented Germ Process actually enables this oil to unite with bearings, pistons, cylinders and other parts, to *Oil-Plate* them for smooth, slippy, dragless starts. ### REBEKAHS HOLD ANNUAL THANKSGIVING FEAST

Tuesday night after a short business session of the Canyon Rebekah Lodge No. 350, the annual Thanksgiving feast was held for the families of the Lodge members and Odd Fellows, together with a few guests.

A bountiful and tasty menu of chicken with dressing and gravy, hot rolls, salads, pickles, pies, cakes, cocoa and coffee, was served to the 55 guests present.

The lodge rooms were decorated with Rebekah colors of pink and green. Music for the occasion was furnished by the Canyon String Band with Mrs. M. M. Wester at the piano.

Rebekahs who attended were Misses Columbia Redfearn, Maye Warren; Mrs. Nora Hart, Mrs. Nora Peters, Mrs. Dollie Taylor, Mrs. Prentice Tate, Mrs. Teresa Patterson, Mrs. Nannie Myers, Mrs. Ola Ridgeway, Mrs. Winnie Gibbs, Mrs. Levi Cole, Mrs. Minnie Laughery, Mrs. Myrtle Stratton, Mrs. Myrtle Wester, Mr. and Mrs. A. K. McBride and daughter, Mrs. Dick Smith.

### AFRICA IS STUDIED BY WOMAN'S BOOK CLUB

"Africa is now furnishing more than half the world's gold," said Miss Darthula Walker to members of the Woman's Book Club yesterday when they met for their program on Africa as seen through "Far Enough" by Eugenie DeKalb.

Mrs. J. T. Sharp told of the life of the author who is an American girl, educated at Smith College and Cambridge, England. "Far Enough" is a first novel, written after its author had spent many months in South Africa living with the people about whom she later wrote.

The great trek of Dutch pioneers who were determined to go so far into the interior of Africa that they could escape the British was the story told by Mrs. Charles L. Dickey in her review of the book, which she said was not unlike books telling of the westward movement in the United States.

At the business meeting, with 20 members present, the club voted to contribute a sum of money to the development of parks in Canyon.

It was decided to accept the invitation of the college to meet there until a suitable place can be provided in the center of town, so the next program will be given in room 202 of the Education Building. This is the northeast room on the second floor.

### LOVELY PARTIES GIVEN LAST THURSDAY-FRIDAY

At the spacious home of Mrs. W. A. Warren, 1814 Third Avenue, two beautifully appointed parties were given last Thursday and Friday evenings with Mrs. C. R. Flesher and Mrs. Warren acting as hostesses.

The house decorations for both of the lovely affairs were gorgeous arrangements of marigolds. The orange color note was carried out in the refreshment course of pumpkin pie with whipped cream, cheese sandwiches, salted nuts and coffee, served after games of bridge.

The guest list Thursday evening included Misses Pauline Brigham, Ruth Lowes, Hattie M. Anderson, Isabel Robinson, Ada V. Clark, Grace Clark, Agnes Charlton, Margaret Wiley, Mary E. Hudspeth, Ruth Cross, Helen White Moore, Tennessee Malone, Novella Goodman, Gene Moore, Mary M. Brown, Jennie C. Ritchie, Edna Graham, Darthula Walker, Linnie Babston, Anna Hibbets, Florence McMurtry, Hellen Hickman, Elizabeth Cox; Mrs. T. V. Reeves, Mrs. Tommie Montfort, Mrs. C. A. Pierle, Mrs. Lee Johnson, Mrs. Laura Saunders, Mrs. A. K. Goodman, Mrs. Mary Sligar, and Mrs. Herschel Coffee.

Those present at the lovely affair Friday evening were Mrs. Mitchell Jones, Mrs. Clyde Davis, Mrs. Ed Mickle, Mrs. Robert Hunt, Mrs. Stella Murrell, Mrs. T. W. Collins, Mrs. C. P. Overton, Mrs. Robert W. Foster, Mrs. R. E. Ball, Mrs. Berl Mayfield, Mrs. Donald Trolinger, Mrs. K. E. Frieze, Mrs. Lee Foster, Mrs. N. E. McIntire, Mrs. Clyde McElroy, Mrs. J. D. Barker, Mrs. T. C. Thompson, Mrs. Bob Barker, Mrs. Carl Scott; Misses Marie and Elva Fronabarger, Georgia Upfold, Pauline Crittenden, Orpa Dennis, Allie Dozier, Gwendolyn Black, Ruth Greenfield, Virginia Jarrett, Annie Ruth Eastus, Gladys McClanahan, Mattie Jordon, Jewell Foster, Fannie Sue Brasuel, and Mrs. C. L. Thompson.

### MRS. DAUGHERTY HAS CIRCLE TUESDAY

The Rose Appleby Circle met with Mrs. J. Madison Daugherty Tuesday afternoon, with Mrs. Dewey Foster in charge of the Bible study and Mrs. A. K. Goodman conducting the Mission study.

A salad course with coffee was served by the hostess to Mrs. Jay Prichard, Mrs. Charley Harter, Mrs. T. S. Furlow, Mrs. Ed Phillips, Mrs. Dewey Foster, Mrs. A. K. Goodman, Mrs. Mark Laughery, Mrs. L. Wirt, and Mrs. Frank Hicks.

### BUSINESS WOMEN HAVE A DELIGHTFUL AFFAIR

The annual party of the Business Women's Club was a gala affair last evening held at the Cactus Club in Amarillo.

As the guests arrived at 7:30 o'clock much amusement was afforded them as they watched the Mexican woman artfully patting out tortillas. Those fortunate enough to be able to converse with the artist inveigled the recipe from her, but were immediately informed that they couldn't make the tough little cakes.

Following a savory Mexican dinner served from crude pottery dishes at the gaily decorated tables, the guests enjoyed themselves at bridge. High score winners were Mrs. Walker and K. E. Frieze. Consolation prizes went to Mrs. Flesher and Irby Carruth.

In the party were Mr. and Mrs. J. J. Walker, Mr. and Mrs. Irby Carruth, Mr. and Mrs. K. E. Frieze, Mrs. C. R. Flesher, Mrs. Clyde McElroy; Misses Grace Clark, Olive Schramm, Allie Dozier, Mattie Jordan, Jewell Foster, Gwendolyn Black, Ruth Greenfield, Annie Ruth Eastus, Fannie Sue Brasuel, Virginia Jarrett; Messrs. Delbert Lowes, Charles Donnell, Emil Hutto, R. G. Stephenson, J. D. Hazlewood, and Alvin Williams.

### MRS. GOLDEN GREEN AND MRS. GAMMON HOSTESSES

The home of Mrs. Golden Green was the scene of a lovely party recently for the Mary E. Hudspeth Class of the Baptist Church when Mrs. George Gammon and Mrs. Green acted as hostesses.

Miss Mary E. Hudspeth was the speaker for the afternoon. She gave a very interesting discussion on the subject of "Woman—Her Place in World Affairs."

The green and white colors were carried out in the house decorations and on the refreshment plate of pumpkin pie with whipped cream, coffee, and salted nuts.

Present were Mrs. Andy Walsh, Mrs. Dewey M. Foster, Mrs. A. K. Goodman, Mrs. T. S. Furlow, Mrs. L. Wirt, Mrs. Burney Slack, Mrs. Lee Johnson, Mrs. J. Madison Daugherty, Mrs. Mark Laughery, Mrs. Frank Hicks, Mrs. Warren Johnson, Mrs. Bob Steen, and Mrs. Ed Phillips.

### MRS. WALTERS HAS STEWART CIRCLE

Mrs. F. W. Maxwell had charge of the study program at the Martha Stewart Circle which met Tuesday at the home of Mrs. P. L. Walters. Corea was the subject of the afternoon's study.

During the business session new officers were elected as follows: Mrs. J. B. Morrisset, re-elected chairman; Mrs. Geo. I. Taylor, secretary; Mrs. Levi Cole, treasurer. A committee was appointed to select a needly family for adoption during the Christmas season.

Delicious cake and coffee was served to Mrs. Bob Cox, Mrs. T. H. Campbell, Mrs. S. H. Condron, Mrs. J. B. Pope, Mrs. T. M. Moore, Mrs. Morrisset, Mrs. Taylor, Mrs. Cole, Mrs. Maxwell, Mrs. Walters of Happy, and the hostess.

Mrs. T. M. Moore will be hostess to the group on Oec. 15.

### DELIGHTFUL CLUB AFFAIR AT THE WALKER HOME

Beautiful chrysanthemums were used for decorations yesterday afternoon by Mrs. J. J. Walker when she entertained the 1925 Bridge Club.

At the conclusion of the afternoon's entertainment, a delicious plate was served consisting of pressed chicken on lettuce, spiced apple salad, hot rolls, potato chips, pumpkin pie, and coffee.

Those enjoying the occasion were Mrs. C. L. Thompson, Mrs. R. B. Davis, Mrs. Frank Phillips, Mrs. J. Madison Daugherty, Mrs. Mitchell Jones, Mrs. R. N. Barnett, Mrs. J. L. Duflot, Mrs. A. W. Hawks, Mrs. Owen Williams, Mrs. W. A. Warren, Mrs. Warren Johnson, Mrs. C. A. Murray, Mrs. George Nance, Mrs. T. H. Campbell, Mrs. Lyons, Mrs. Hud Prichard, Mrs. W. C. Kunze, Mrs. Joe Black, Mrs. Burt Newlin and Mrs. G. A. Farlow.

### LEONA LOCKHART AND RALPH HEADLEE WED

The Junior class of this year lost one of its most valuable members Saturday afternoon when Miss Leona Lockhart became the bride of Ralph Headlee, technical foreman in the Soil Conservation service at Perryton.

The wedding took place in the study of the Presbyterian church at Canyon with Rev. Chas. L. Dickey reading the nuptial vows. The bride wore green and brown with a corsage of Talisman rosebuds and bronze chrysanthemums. Ruth Cox, '36, and John Tole of Crowell, were attendants.

Mr. Headlee has been a student at W. T., his last work here having been done in the summer of '35.

Mr. and Mrs. Headlee will make their home in Perryton.

### LAS SENORAS CLUB WITH MRS. BALL THURSDAY

Bridge was enjoyed Thursday afternoon at the home of Mrs. R. E. Ball when she entertained members of the Las Senoras Nuevas Club and a few guests.

Vases of chrysanthemums were attractively arranged in the entertaining rooms, and added much to the gaiety of the occasion.

A refreshment plate of cheese canapes with potato chips, bread and butter pickles, apple sauce cake, and russian tea was served. The tables were centered with small dishes of mints.

Members were Mrs. Robert W. Foster, Mrs. Owen Williams, Mrs. Levi Cole, Mrs. A. K. Goodman, Mrs. Aubrey Fox, Mrs. Tom Brasher, Mrs. J. Madison Daugherty, Mrs. Hud Prichard, Mrs. Newton Crain, Mrs. A. W. Hawks, Mrs. J. D. Barker and Mrs. Winfield Miller. Special guests were Mrs. Earl Robbins, Mrs. George Nance, Mrs. J. L. Duflot, and Mrs. T. H. Knighton.

### DINNER PARTY AT J. J. WALKERS

Mr. and Mrs. J. J. Walker entertained a small group of friends with a three-course dinner at their home last Friday evening. Beautiful bronze chrysanthemums were used as decorations for the occasion.

Covers were laid for Dr. and Mrs. A. M. Meyer, Mr. and Mrs. Clyde W. Warwick and Dorothy, Mr. and Mrs. Wm. Ash, Mr. and Mrs. G. A. Farlow, Mr. and Mrs. C. A. Murray, Mr. and Mrs. J. S. Humphreys, and the Walkers.

Games of Monopoly were enjoyed until a late hour.

**REEVES HONORS LOCKHART WITH BRIDAL SHOWER**

Miss Leona Lockhart was honored with a lovely bridal shower given by Mrs. T. V. Reeves at her home Friday night.

After the guests arrived and were seated in a semi-circle, Miss M. Moss Richardson told a humorous story, "My Sweetheart's Baby Brother." Various members of the group contributed to the miscellaneous program, after which the honoree was presented with many beautiful gifts tied in green and white packages.

Refreshments were served, carrying out the green and white color scheme, to Misses M. Moss Richardson, Marjory Wilkinson, Kathryn Robinson, Allene Myers and Frances Grimes of Canyon, Misses Ruby Dell Scoggins, Clarendon, Margaret Peery, Dalhart, Mary Etta Ferrell, Estelline, Helen Smith, Channing, the honoree, and the hostess.

**AMERICAN NEGRO STUDIED BY MISSIONARY**

The Missionary society of the Methodist Church completed a very interesting study Tuesday on the American Negro, as a preface to racial understanding.

At the business meeting new officers were elected as follows: Mrs. C. M. Dowlen, president; Mrs. D. A. Nicholas, vice president; Mrs. F. M. Munson, secretary; Mrs. Dowlen, corresponding secretary; Mrs. I. C. Jenkins, treasurer; Mrs. Clyde McElroy, corresponding treasurer; Mrs. R. McGee, publicity; Mrs. W. W. Richeson, World Outlook; Mrs. A. W. Sternenberg, Mission study; Mrs. C. A. Murray, social relations; and Mrs. F. M. Faulkner, supplies.

Next Tuesday, Nov. 24, members will meet at the church to observe the World Week of Prayer.

**WEST SIDE CLUB WITH MRS. PAT BABER**

The lovely new home of Mr. and Mrs. Pat Baber was the scene of a merry party for the members of the West Side H. D. Club and their families Saturday night.

Mrs. Clarence Bauer and Miss Mildred Baber played several numbers on the piano before games of progressive "42" were started.

Gaily decorated Thanksgiving covers were laid at the refreshment hour for the tasty dessert course with coffee that was served to the following: Mrs. Jennie Baber, Mrs. Shipp and daughter, and Mr. and Mrs. Glen Lynskey from Wichita Falls, Miss Carmel Lee Guinn from Hereford, Mr. and Mrs. Clarence Bauer, Mr. and Mrs. Lonnie Byars and daughters, Mr. and Mrs. C. G. Stallings, Mr. and Mrs. W. B. Persons and family, Mr. and Mrs. Ed Bourn, Lud Bourn, Mr. and Mrs. John Hunter, Mr. and Mrs. J. J. Wright and family, Mr. and Mrs. Joe Baber and daughter, Mr. and Mrs. B. T. Burrus and sons, Mr. and Mrs. Frank Stockhaus, Miss Mildred Baber, and Mr. and Mrs. Pat Baber.

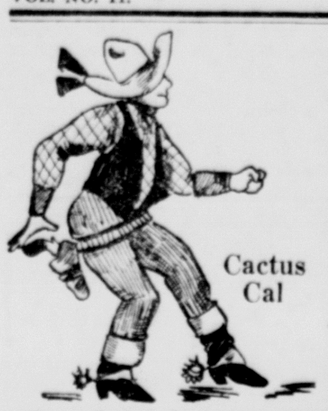
# THE EAGLE'S TALE

VOL. NO. 11. CANYON, TEXAS, NOVEMBER 19, 1936. NUMBER 10



Them Eagles shore kept their promises. Last year they promised to beat you Whitefaces and they shore did it. I shore wuz backin' them Happy Cowboys last Friday. You Eagles reely ought to give them Happy boys a hand.

There's an old song "Annie Doesn't Live Here Anymore," but Sweetie got it mixed up and said "Mattie, Jewell, and Pauline don't live here any more Armistice night when Coaches Brown and Hutto, thinking they were late to the party, rushed into Thompson's old homestead, took off their hats, and sat down. Sweetie met them at the door, introduced her mother to them, and stammered out words to start a conversation, when Mr. Brown realized that Thompsons had moved a block west.

You know, kids, I think I'll dedicate this column to the absent-minded teachers, another one is Miss Crittenden. She wrote a long letter home, her envelope addressed and stamped. She got ready to mail her letter and had already mailed the empty envelope. I hope her folks enjoyed the letter.

Editor, how to you feel after gettin' burned? And, by the way, there shore wuz a lot of kids burned with that Russian tea at Hereford. But that shore wuz a nice entertainment they gave; I slipped in the back and got some of them good cookies and sandwiches.

Say, I never saw the like, havin' to bring a playpretty to school and Sunday School. I saw Ann Maxwell, a junior, bringing a little puppy with her. I guess we can excuse Ann this time; it wuz a purse.

Say, you Eaglettes, you shore improved Saturday night after Thursday. I know you wuz excited, with it being your first home game.

You football boys that had the pep squad the tother night, shore were swell; and Luke reely could make a grand pep squad out of you. I heerd some of the girls say that they would be out yelling for the basketball team in about three weeks. The drum corps were shore afraid they were going to have to give up beating their drums, but I guess we owe it to Happy for postponing the close of the football season for us. Well, Eagles, I'm backing you 100 percent, so on to district honors.

Should we participate in many athletics if they interfere with our school studies?

"No," is the answer. If any one lets his athletic interests go so far as to take his attention off school studies, he will more than likely have a drop in grades on his report card.

Now, athletic training is good and proper, and it is well for everyone to partake in school activities such as basketball, baseball and football. But if he stretches it very far, he's going to regret it because of his poor standard of grades. Students are therefore advised not to let athletics take the lead over their regular studies.

**THOUGHT OF THE WEEK**

"To brag little, to lose well,
To crow gently if in luck,
To pay up, to own up,
To shut up if beaten
Are the virtues of a sportingman."
—Oliver Wendell Holmes.

Mary Ella Davis and Sarah Bonnie Bourn, exes of '36, visited school Monday.

O. M. Solomon, '35, visited the Eagle's Tale room Monday night.

## *Eagles Lasso Hereford Whitefaces First Time Since the Year 1932*

The Canyon Eagles lassoed the Hereford Whitefaces, 20-0, for the Armistice victory on Wednesday afternoon, Nov. 11. Hereford's defeat by Canyon is a matter for the date book to mourn over. Since '32, Hereford has taken home the bigger end of the score, leaving the Eagles the disappointing smaller end.

The Eagles scored in the second, third, and fourth periods of the game. The first pay check of six points was given the Eagles by "Bot" Rusk, who carried the pigskin seven yards through the Whitefaces' strong fighting line. Drummond failed to convert the point.

In the third period, the Whitefaces were threatening the Eagles on their own fifteen-yard line, when Fairy Hill intercepted a pass on his own six-yard line and ran 94 yards for a touchdown. All Whitefaces near the Eagles were brought down by the perfectly clicking kings of the air. The point was converted.

The last tally came in the fourth quarter, when Joe Gill, star back for the Eagles, rooted it over from the fifteen-yard line. Gill's kick was good.

The whole Eagle backfield, as well as the holding and charging line, are to be commended for the victory over the Whitefaces. The Hereford players could not function because of the Eagles' determination to break them up.

## *Friday Thirteen Open For Discussion*

Is Friday the Thirteenth a lucky or an unlucky day for Canyon High School students?

There are many people who are very superstitious on this day; but it seems to be a very lucky day for the Canyon football boys. When Happy beat Tulia Friday, even a black cat ran across the road as the boys were going to Happy.

Evelyn Cluck had bad luck when she broke a double mirror that day; so she is preparing herself for fourteen years of misfortune.

Some people may consider it lucky that J. C. Bellah was born on Friday the Thirteenth; but of course, it may have been a very unlucky day for some people.

Superstition has woven a circle around Friday the Thirteenth. Many people consider it unlucky and many think it lucky. What about you?

**HOW FAST THEY FLY**

How fast this year is going by! One six-weeks is already gone by; if you failed to make your work, one opportunity has passed.

Now the second six-weeks is drawing to a close. The six-weeks' examinations will be given today, tomorrow, and the first part of next week. Will you let this opportunity pass, too? If you failed the first six-weeks, don't give up! Try again; you can study and conquer these examinations, and pass your second six-weeks. You can pass this year if you did fail the first six-weeks; but if you fail the second time, it will be much harder to pass.

So why don't you study now, pass these examinations, and pass your work? Any person with intelligence enough to graduate from grade school has, if he tries, enough intelligence to be in a graduating class from the high school. Pass these examinations. You will find you have plenty of brains. The trouble is, you are just not studying.

Melvin Calliham visited at his home in Conway over the week-end.

Miss Mattie Jordan spent Saturday in Amarillo.

J. C. Bellah and Jack Inman visited in Amarillo Sunday night.

## Students Visit Amarillo

The first graders under the supervision of Mrs. T. W. Collins, visited business houses in Amarillo last Tuesday afternoon.

The children are working on a unit pertaining to the community helpers. They spent most of their time at the fire departments in Amarillo. The group went in cars, those taking the children were: Mrs. B. A. Burrus, Mrs. J. E. Hunter, Mrs. E. N. Zachry, Mrs E. A. Michael, and Mrs. Carl Scott.

## Fourth Graders Organize Club In Class

Children of the 4-A class have organized a citizenship club, and called it the "Help-One-Another-Club." Georgia Faye Holt was elected president of the club; Manis Read Foster, vice-president; and Willie Myrth Howard, secretary.

Four committees were appointed, with Leslie Morrisset chairman of the Safety First committee; Mary Lucy Pope chairman of the Thrift committee; Merle Dickerson chairman of the Character Study committee; and Juanita Anderson chairman of the Good Manners committee.

Through work in this club the children hope not only to become better citizens but also to help their classmates and friends to be better citizens. The club will meet once a week and a short program will be presented by one of the committees.

Grades 4-A and 3-A, with their teacher, Miss Gladys McClanahan, visited Mr. Warwick's printing shop on Tuesday, Nov. 10. Many things were learned that will help in developing their unit of study on communication and transportation.

## Among the Exchanges

Mother: Sonny, step over and see how old Mrs. Harris is this morning.

Sonny (coming back): Seventy years, six months, and two days, muvver, he says.—Austin Pioneer.

**Nuts**

Where can a man buy a cap for his knee,
Or a key for the lock of his hair?
Can his eye be called an academy
Because there are pupils there?
In the crown of his head, what gems are found?
Who constructs his own house with
The nails on the end of his toes?
Can the crook of his elbow be sent to jail?
If so, what did he do?
How does he sharpen his shoulder blades?
I'll be hanged if I know, do you?
Can he sit in the shade of the palm of his hand,
Or beat on the drum of his ear?
Does the calf of his leg eat the corn on his toes?
If so, why not grow corn on the ear?
Who travels the bridge of his nose?
—The Tattler.

Hazel Benton, former student of Canyon High School, now living at Kress, spent Sunday visiting friends in Canyon.

Helen Johnson attended the recital of the Mexican Tipica Orchestra Friday night in Amarillo.

Miss Jewell Foster spent the week-end in Amarillo and visiting her home in Dumas.

## HEREFORD PEPS ENTERTAIN GUESTS

The Whiteface Peppers entertained the Eagle peppers with a social Wednesday evening, Nov. 11, at Hereford after the football game. Both football teams, pep squads, bands, orchestras, and faculty members were entertained. Hereford's orchestra played several pieces while the guests gathered in the auditorium.

Mary Ann Baird, president of the Hereford pep squad, introduced the captains of the football teams, the pep leaders, coaches, pep sponsors, and several important leaders in both schools. Small "Cowboy" Le Grande sang "Home on the Range." The Hereford Pep Squad Quartet sang "It's a Sin to Tell a Lie," and "Wahoo"; and Canyon and Hereford pep squads gave yells for both teams.

The Hereford band played while refreshments of sandwiches, cookies, and Russian tea were being served.

## *Gridiron Gossip*

By Bulldog

Coach Hutto encountered a group of Eagles gossiping in front of the show Sunday night. He asked them if they were preening their feathers and they answered "Yes." Looks as if they should take time out to pat Happy on the back.

Despite the fact that Ray Ford Rusk has an infected foot and can hardly walk, and Fairy Hill has three fingers cut badly, and Herschel Burrus' back is still hurt, and Jack Middleton is just getting well from a punctured lung, the Eagles are expected to be ready to go for the Tulia sectional championship game.

Captain Jack Middleton possibly will be back in the line-up for the game tomorrow. "The score will be different from the first Tulia game," said he.

The whole Eagle team went to Tulia for the Tulia-Happy game and backed Happy to the finish. Happy expressed their appreciation and said they would return the favor Friday when the Eagles play Tulia a second time.

The Eagles patted "Red" Gassaway, George Guest, B. Raymond Evans, and Hopper Toles on the back very enthusiastically after the game. These were the boys who really tore up the Tulia team. The rest of the Happy team turned in sensational games, but these boys stood out even then.

After defeating their traditional rival, Hereford, the Eagles really feel like playing good hard football to win district this year. With Captain Jack Middleton back in a suit, the Eagles have more pep and spirit than ever. They really do intend to go to town against Tulia Friday. Just ask Coach Hutto if you don't think so.

**BOOK REVIEW**

Do you plan to see the screen version of Shakespeare's "Midsummer Night's Dream?" If you have read the play, the show will be more interesting to you.

It is a play of imagination and humor. "Midsummer Night's Dream" at times transports one to fairy land, with the sprightly Puck and the dainty fairy queen. Again it gives the reader distress over the difficulties of the lovers, or merriment over their confusion.

Beside story interest, the play has beauty both of poetic language and of thought.

**GIRLS ORDER SWEAT SUITS**

Twelve new purple sweat suits for the basketball girls will be here sometime this week, says Coach Gerald Brown. He is not sure whether or not they will have "Canyon" written in white across the front of them.

Miss Foster was trying to impress on a class the importance of the discovery of the law of gravitation.

"Sir Isaac Newton was sitting on the ground, looking at the tree. An apple fell on his head and from that he discovered gravitation. Just think, childred," she added, "isn't that wonderful?"

The inevitable small boy replied, "Yes'm, and if he had been settin' in school looking at his books he would never have discovered nothing at all."

Miss Grace Clark attended the recital of the Mexican Tipica Orchestra Friday night in Amarillo.

## *Eight Members of Local Press Club Are Eligible For the Quill and Scroll*

Eight members of the Eagle's Tale staff are eligible to become members of the Quill and Scroll this year.

The Quill and Scroll is a national honorary society for high school journalists, with headquarters at Northwestern University, Chicago, Illinois. The organization publishes a monthly magazine, under the same name, Quill and Scroll.

In order for a high school to become a member, it must live up to the standards set by the Quill and Scroll. The Eagle's Tale received its membership at the end of school last year.

An individual student must be in the upper third of his class, be a junior or a senior, have a certain number of column inches, be of good moral standing, and pay a fee of two dollars before he can become a member of the society.

The students that have fulfilled these requirements and accepted the invitation to membership are Mary Collins, editor; Beulah Brasuel, Marielle Oldham, John B. Pope, and Sherman Higdon, all seniors. The only junior that will be a member is Natalie Flesher. C. L. Drummond, senior and managing editor of the paper, and Lillian Chambers, junior, are also eligible.

## Eagles Dedicate Games

The last three Eagle games have been dedicated to various members of the football squad because of several different reasons.

The Happy game was dedicated to Captain Jack Middleton, who had suffered a lung injury in the preceding game with the Tulia Hornets and was unable to play in the scrap with Happy.

The game with Dalhart was dedicated to Herschel Burrus because he had played bang-up football in every game, despite severe injuries to his back early in the season.

The whole team got together and dedicated the Hereford game to Coach Emil Hutto. This, one of the most important games of the season, naturally meant a great deal to the coach and to the school as a whole.

The Tulia game tomorrow may be dedicated to someone, but it is yet doubtful as to whom the honor will fall. There is a possibility that Fairy Hill, handicapped by three badly-cut fingers, will be honored this time. Also, the game may be dedicated to the Happy Cowboys, pep squad, and band because of their generous and wholehearted support of the Eagles.

It is noticeable that all three of these games have been won by the Eagles. While the dedication may have no effect on the score, at least the squad certainly fights for the boys so honored.

## Pope Speaks In Assembly

"The curriculum varies with every student, because each individual approaches a subject from an angle entirely different from that used by someone else," stated Mr. John B. Pope, principal, in a called assembly Thursday afternoon. Mr. Pope's subject, in keeping with National Education Week, was "The Changing Curriculum."

Friday morning, in another special assembly, Mr. F. E. Savage, of the College faculty, discussed "The Unfinished Business of Education." Mr. Savage brought out the fact that education, by making people desire higher standards of living, makes a nation more prosperous.

Miss Nancy Dawes, of the music department of the College, gave a program of piano selections in the regular Monday morning assembly. After being introduced by Mrs. Lee Foster, head of the music department of the school, Miss Dawes played five selections: a Beethoven sonata; a waltz by Chopin; "Spring Song"; Picaninny Dance," by David Guion; and a Shubert composition, "Impromptu." Miss Dawes is a sister of Miss Alice Dawes, former music teacher in the high school.

**HOME EC. CLUB DISCUSS GIRL IN BUSINESS WORLD**

"The Girl in the Business World" was the subject of the program in the Home Economics Club meeting last Tuesday, Nov. 17, at noon.

Renna Beth Bellah played a piano solo. Sarah Thompson made a speech on "Have You Got What It Takes to Conquer?" "Winning Ways" was the topic discussed by Shirley Ann Oliver, and Fern Walters talked on "Dressing the Part."

**GUESS WHO?**

A gay little sophomore, and full of fun;
A football midget that tries to run.
Wise-cracks and eating are hobbies of his;
If you are smart you can guess who he is.

Answer to last week's Guess Who?—Herbert Mariner.

## *Those Were the Good Old Gay Ninely Days*

"Now when I went to school!" begins Mother or Dad. They had an entirely different kind of school from the one we attended. Slates, with slate pencils and an erasing pad, were used. No new-styled books were used, but the Blue Back speller and arithmetic and geography books were common. Each child had to buy his own supplies, books, pencils, and everything.

Everyone thinks today of the Little Red School House with the big bell to call the pupils to class, a teacher or two, the days of the spelling bee, and so on. One usually thinks of bright red apples and jump-ropes as reminders of recess. And no school house of yesterday would be complete without a mischievous boy with a slingshot or a bean blower!

Those were the days of short pants and high-top boots, and fluffy shirts with bows for the little boys; of many petticoats, bonnets, and high-button shoes for the girls. And the days of the hickory stick for the teacher!

Ah, yes! Those were the good old days, but give me the modern times.

## Hi-Y Elects Black President

Officers for the year were elected at a meeting of the Hi-Y Club Monday evening. They were as follows: Billy Black, president; Eugene Newberry, vice-president; and Sanford Black, secretary.

The club meets Monday evenings, when a program is given by members of the Hi-Y. Then, usually, there is a period of recreation when the members play basketball, ping-pong, or something else.

Mr. R. G. Stephenson, sponsor, invites all high school boys to attend and become members.

**GRAHAM IS P. T. A. SPEAKER**

"Efficiency" will be the subject discussed by Miss Edna Graham next Monday evening, Nov. 23, at the meeting of the Parent-Teachers Association. The meeting, which will be held at 7:45 o'clock in the high school auditorium, will have "Character Growth" as its central theme. Music will be furnished by the school band.

## Moore Talks To Faculty Study Club

"Tests and Measurements as Related to Guidance" was the theme of the Faculty Study Club, which met Thursday afternoon, Nov. 5, at 4:30 o'clock. "Tests and Measurements" was discussed by Mr. H. G. Moore, while "Guidance" was the topic discussed by Mr. Milton Morris. Miss Mattie Jordan presided as chairman.

Preceding the meeting, refreshments were served by Mrs. T. W. Collins, Mrs. Isabel Cousins, and Miss Grace Clark.

The next meeting will be held Dec. 9, when problems of guidance will be further discussed by Mr. John B. Pope and Miss Fannie Sue Brasuel. Miss Virginia Jarrett will preside as chairman.

## Union Hill Downs Canyon Eaglettes

The Canyon Eaglettes were defeated 25 to 9 by the Union Hill sextet last Thursday evening in the grade school gymnasium. Watts, forward for Union Hill, held high score, while McNeil, forward for Canyon, made the most points for the Eaglettes.

Last Saturday the Union Hill girls defeated the Eaglettes 26 to 16 on Happy's court. Raymond, forward for Union Hill, held high points. Kate Donnell, for the Eaglettes, scored eleven of Canyon's sixteen points.

These are pre-season practice games; the next will probably be played with Happy.

## Study Club Plans For Coming Year

The Faculty Study Club met last Thursday to discuss "Guidance: Tests and Measurements.

Messrs. Milton Morris and H. G. Moore were the speakers on the program. Mr. Morris spoke on "Guidance," while Mr. Moore talked on "Tests and Measurements."

Miss Mattie Jordan was chairman of the program.

The next Study Club meeting will be held Dec. 9. Mr. John B. Pope and Miss Fannie Sue Brasuel will continue the study of "Guidance"; Miss Virginia Jarrett is the chairman.

January 13, Mr. John B. Pope will discuss "Curriculum," while Miss Elva Fronabarger is scheduled to speak on "Results of Curriculum Experiments in the School." The chairman will be Miss Gladys McClanahan.

February 10, the speakers are Mr. Gordon Beck and Mrs. Stella Murrell. The subjects will be "Crime Prevention Through Education," and "Mental Hygiene," with Miss Ruth Greenfield, chairman of the program.

March 10, Miss Belva Cain and Miss Gwendolyn Black will speak on "Commencement Programs." Mrs. L. M. Cousins is the scheduled chairman.

April 14, "Visual Education" will be discussed by Miss Jewell Foster and "Radio Education" will be discussed by Miss Grace Clark with Miss Annie Ruth Eastus as chairman.

May 12, Mr. I. B. Carruth will be chairman of the program. An outside speaker will be asked to discuss some subject with the members of the Club. This year's schedule will be concluded by this program.

**EAGLETTES TO PLAY TULIA**

The Canyon Eaglettes will play the Tulia Lassies Saturday night at Tulia in a double header, the first game starting at 7:30 o'clock. All those who did not play in the first game will be eligible to play in the second.

The teams are on an equal basis for victory, because each has been defeated by Union Hill.

**LA TERTULIA HAS VISITOR**

Last Friday, "La Tertulia," Spanish Club, had a special visitor from the grades. Toni Chavez, a small Latin-American girl from Mrs. T. W. Collins' first-grade room sang some songs for the club members. She sang the following numbers: "The Butterfly," "One Night," "The Little Boy Whose Mother Didn't Like Him," "The Car That Got Out of Gas," and "The White Pigeon Crossing the Ocean."

Jack and Sherman were telling about their abilities to see and hear. Said Jack:

"Do you see that fly walking on that barn over there on the horizon?"

"No," replied Sherman, "but I can hear the shingles crackle when he walks on them."

Natalie Flesher spent Friday night and Saturday in Hereford with Mary Ann Baird.

Lillian Chambers spent the week-end visiting in McLean.

## *No Dieters Found Here*

* * * * * * * * * * * *

Canyon High School finds likes and dislikes in food that runs from watermelons to pickles. Here are a few examples of variety picked up by a reporter.

Raynelle Rigsby says she likes ham and eggs, provided she has the ham.

Martha Jo Newlin's middle name is "watermelon."

Miss Mattie Jordan, R. E. Prichard, and Jean Slack like fried chicken and gravy.

J. C. Bellah claims to like onions, but I imagine he'd like a bottle of Listerine nearby to wash it down or to wash ft away—the scent, I mean.

Billy Greenfield follows Popeye; she eats her can of spinach and fights; how, we don't know.

"Steak, steak, steak; I'll take steak," says Mary Catherine Wirt.

Coach Hutto would like to spend all his time feeding his face with frog-legs.

Miss Crittenden eats anything, but cheese and spaghetti are tops with her.

"I'll take roast duck," states ducky Melvin Calliham.

"I like watermelon; it's the darky in me," says Sherman.

Mrs. Drummond's oldest son likes candy; sweets for the sweet, so they say.

Marie O'Donald and Mary Collins talks in terms of pickles.

Carolyn Mayfield is better known as the "Lemon Drop Kid."

At the end of the list comes Helen Hurst, who says "spaghetti" when asked what she likes to eat.

## *Many Students Hold Jobs*

* * * * * * * * * * * *

Although many of the Canyon High School students seem a little lazy at times, there are quite a few that work outside school hours; thus it certainly seems that many of them will later have great careers.

The Grocery boy is prominent. Raymond Bible works in the Canyon Grocery; J. C. Bellah in the Bellah Grocery; and Eugene Newberry and Tommy Butler in Green's Grocery. John B. Pope follows the same occupation, as he works in the Buffalo Food Store. Billie Bewley makes after-school hours count by working for the Thompson Hardware Company.

The "shine boy" in the Palo Duro Barber Shop is Billy Black; while just around the corner and down the street in the Star Barber Shop, Garl Cone plies the same trade. Of course there is one carpenter among the "industrialists," he is Billy Sternenberg.

Then, there are those students who help to "beautify" the school. They are D. A. Butler, Jimmie Carr, Scott Downing, Harold Wall, R. E. Prichard, Mabrey Vandergriff, Herbert Mariner, and C. L. Drummond. Mary Helen Hurst, Lillian Tate, Hardine Rogge, Dora Tucek, and Wannie Thomas help in the Home Economics Department and in grading papers. Sherman Higdon works hard managing the Eagle football team.

We also have two dairymen, Jack Inman and John Morris, and one office girl, Lillian Chambers, who works for Dr. S. L. Ingham.

Most of the other students do small jobs around the home; so as a whole, Canyon High School has many industrious students, at least in some lines.

# Disaster Overtakes Buffs As Game Saturday Ends 0-0

### Miller Baffles Maroon and White With Punts

Disaster overtook the galloping players of the West Texas State Buffaloes when they completely smothered the NMMI Cadets in Roswell, N. M., Saturday, but could only manage for a scoreless deadlock.

For sixty minutes the Buff charges crashed at the Soldiers' "port of entry" but the plucky Cadets withered the four 20 yard penetrations. The Bisons registered 17 first downs to the Cadets' 3, two via the penalty route. The Buffs were outscored in only one department, that by the dazzling punting of Cadet Miller. Repeatedly his long spiraling kicks demoralized the confident Buffaloes, and consistently drove them deep into their own territory.

Gigantic Toby Waggoner, left end, completed his long football career with a punch that distinguishes him as West Texas State's greatest wingman. His staunch defensive work clicked effectively as he cleverly disposed of blockers to make the tackle.

Over 200 Buffalo supporters rode the special train to attend this annual grudge skirmish. Director C. E. Strain and the College Band added to the occasion with their music.

The Buffaloes' principal scoring threat came in the early minutes of the second quarter. Featuring an adroit passing assault the first goal line march was stemmed on the 14. Three line plays had failed when Watkins blasted an accurate pass to Waggoner who dropped the leather in the end zone.

Another scoring drive fizzled in the third division when Lwood Dow, the Buffs' most consistent gainer, juggled Watkins' 25-yard pass on the 20 yard stripe with an open field ahead.

Halfback Slack's fumble and a Cadet recovery on the Buff 25-yard line afforded the New Mexicans their only scoring chance." The obstinate Herd blanked the Cadet offense to take the ball on the 22 after four running plays were dumped.

**. . . that smell means Wasted Miles and Money**

*Dear Distressed Damsel:*

Perhaps you wonder why the poor motorist is using such a "rich" mixture.

Lady, the reason is that the tank contains ordinary *low test* gasoline.

That's why the driver had so much trouble in starting, and why it is taking so long for his motor to warm-up. With all his yanking on the choke, the engine is still missing and sputtering.

He isn't enjoying it a bit more than you are . . . and in addition, it is costing him real money because *with the choke out he is using up gasoline 5 to 15 times faster than normal!* Besides, he is thus diluting the oil in the crankcase, which is one of the chief causes of winter damage to motors.

. . . How can he correct the trouble?

Easily. All he has to do is use Phillips 66 Poly Gas and *use less choke.* It is made by the WORLD'S LARGEST PRODUCER of natural high test gasoline. This explains its extra high test and the pleasant fact that it costs nothing extra.

It starts cold motors with split-second speed. Warms them up fast. Delivers maximum power with minimum fuel. And obviously, it increases mileage per gallon by decreasing the need for wasteful choking.

Since Phillips 66 Poly Gas costs no more than ordinary gasolines, how can you possibly lose by trying a tankful!

*At five o'clock, Jonathan Beggs slams his ledgers, tosses his eyeshade aside, and turns to his telephone . . .*

"Give me 9-8-3-7, Operator, and make it snappy," says he. "...That you, Em? . . . I'm leavin' . . . and say, what's on the stove for dinner? . . ."

When a hungry man's in a hurry, he wants nothing to stand in his way. So it is up to the people who furnish the telephone service to see that Jonathan Beggs' calls are fast, and clear, and satisfactory in every particular.

It is fortunate that these people have at their elbows the entire specialized organization of the Bell System: the expert help of American Telephone and Telegraph Company's headquarters staff . . . the researches and inventions of Bell Laboratories . . . the economies and telephone efficiencies which result from the skillful manufacturing of Western Electric.

. . . .

Homeward bound in the early dusk, Jonathan Beggs may never give these organizations a thought. Yet he benefits from their work. For many years they have helped this company give better and more far reaching telephone service, at prices that are reasonable to telephone users everywhere. Southwestern Bell Telephone Company.

## Buffs End Season

(Continued from first page)

when Toby Waggoner went to the hospital Saturday for an operation for appendicitis. Hard luck hit again Tuesday when Odell Washington, understudy for Waggoner, became sick and will likely undergo an operation for appendicitis today or tomorrow. The left end of the heavy Buffalo line is left open with few men of experience on the bench ready to answer the coach's call.

The team left this morning at 4:30 o'clock on the Santa Fe. They leave the train at Topeka to travel by bus to Atchison. The team will return Sunday afternoon.

After a most successful season, the Buffs had great hope of defeating St. Benedict's this year, but the hard luck of losing the services of both Waggoner and Washington lowered the prospects very materially.

Mr. Taylor states that a number of improvements will be made immediately at the Palo Duro in order to give the visitors the maximum service. During the past month he has interviewed practically all of the National Park Service officials for the purpose of assembling all of the information necessary in conducting the concessions at the Palo Duro.

After visiting the various parks, Mr. Taylor is more pleased with the possibilities of development at the Palo Duro than ever before. From the standpoint of comparison, Mr. Taylor is convinced that few people in the Panhandle realize what a wonderful work of nature exists in the Palo Duro. To make all of these points of beauty accessable and enjoyable for the visitors will be the aim of his company during the coming years.

The three act play, "Mammy's Lil' Wild Rose, which was presented in the Umbarger school on Sunday was a grand success and was highly applauded by an appreciative audience. This same play will be given in Nazareth, Friday, Nov. 20, at 8 o'clock. Those who missed the side-splitting comedy still have an opportunity of seeing it.

Mr. and Mrs. Garcia and daughters, Esperanza and Elena, made a business trip to Amarillo Saturday.

The Artho family visited the Nick Hollenstein home on Sunday.

Catherine Sloane of Amarillo was a guest in the Joe Friemel home Sunday.

The Armistice dance in the Parish Hall was well attened. Everyone reported a good time.

**PRESBYTERIAN CHURCH**

A special treat is in store for those who attend the Presbyterian Church next Sunday morning. Dr. Calvin W. Laufer, of Philadelphia, will be in the pulpit and preach at 11 a. m.

Dr. Laufer is known as the "minister of music" in the Presbyterian Church. He has composed over 100 hymns, and has written some ten books on church music.

He is connected with the board of Christian Education of the Presbyterian Church. He will preach in Central Presbyterian Church, Amarillo, in the evening.

**Pound Pastor**

On Monday night, Nov. 9, following a congregational meeting at the Presbyterian Church, the pastor and his wife were given a genuine "old fashioned" Church pounding.

The affair was given by friends and members of the church in the spirit of Thanksgiving in appreciation of Rev. and Mrs. Charles L. Dickey, and the work they do in the community.

Presidents of all Texas colleges have been invited to participate in the ceremonies. Pat M. Neff, president of Baylor University and former governor of Texas, will preside. Those participating in the program will be attired in academic regalia. They will be entertained at the Baylor-S. M. U. football game in the afternoon.

## Varsity Netmen Trounce Texas Tech Squad 14-7

Coach W. E. Lockhart and his West Texas netters terminated the fall season Saturday by trouncing Texas Tech, 14 to 7 on the clay courts of the clever Matadors.

The Buffs won four of six matches in the dual clash.

In the ranking singles, Glyn Riley met a mountain of opposition in the clever Jordon, Tech, and lost 6-4, 6-4. Norton Curry, W. T., easily took Bozeman 6-2, 6-3. By illustrating his customary hard smashing game, George Smalley triumphed over McCarty, Tech, 6-3, 4-6, 6-3, and Darrell Hemphill, W. T., took the count from Upshaw, 2-6, 6-4, 6-4.

Smalley and Riley completely baffled Jordon and Upshaw to garner the ranking doubles 6-2, 7-5, and Curry and Hemphill finished the afternoon by smashing to a 6-3, 3-6, 6-3 win over the Bozeman-McCarty duo of Tech.

**HARLEY SADLER WILL PRESENT SOCIETY CIRCUS**

Harley Sadler, the popular Texas showman, has decided to get into the Circus game in a big and creditable manner, and accordingly, he has disbanded his small ten circus he had and made a connection with the London Hippodrome Circus.

He has lured R. M. Harvey, manager of the London Hippodrome Circus from his Chicago headquarters, and together they have framed a great entertainment billed as Sadler's Society Circus—it is rather a circus musical revue with all the cream of the circus arena, presenting twenty-seven numbers and many of the acts exhibited have never been seen in Texas, being from the London Hippodrome.

Sadler's latest venture and one of which he says he is very proud will be presented at the City Auditorium in Amarillo for a brief engagement of four days starting Monday night, Nov. 23, with a night performance. Tuesday and Wednesday there will be a popular priced matinee at 2 o'clock, admission being 25c to any seat, and Thanksgiving day there will be a matinee at 3 p. m. with the same price prevailing. Night prices will be 25c for balcony, 40c for rear seats on main floor and 55c for reserved seats including admission for front main floor seats.

Harley Sadler has a host of friends in this vicinity who will doubtless attend the circus revue production in Amarillo next week.

Hatcher Brown, '32, has been made principal of the high school at Tulia, according to an announcement made by Supt. I. H. Turney.
